Monday	Tuesday	Wednesday	Thursday	Friday
Chilli Beef Tomato & Herb Pasta Jacket Potato	Chicken Pasta Rice & Bean Burrito Jacket Potato	Sausage Roll Vegetable Sausage Roll Jacket Potato	Margherita Pizza Cajun Wedges Jacket Potato	Fish Fingers Cheesy Pinwheel Jacket Potato

Phonics

This week we will be learning the digraph 'oo' making the short phoneme /oo/ as in book and the digraph 'ai' making the phoneme \ai\ as in rain. We will explore listening to the digraphs in words and recognise the letters 'oo' and 'ai'. All our learning will be reinforced through play and games. Please complete the workbooks sent home on Wednesday and Friday to reinforce their learning and to be awarded a team point if returned to school.

Spellings

This week we will continue to learn to spell Tricky words in class. We will practice them in school all week and send them home on Wednesday to practise at home. We will then have a 'spelling test' on Tuesday in school. If your child gets them all correct they will move on to the next set of Tricky words.

Mathematics

This week we will continue to look at numbers to 20 and in particular focus on the numbers 10-15. We will practise counting to 20, build the numbers 10-15 and focus on the pattern of numbers beyond 10. We will continue to develop the children's understanding that all numbers build on 10, and begin to use the vocabulary of ten and units. E.g. 15 = 1 ten and 5 units

Topic - Jobs

This week we continue to look at different jobs and in particular focus on people who help us. We will find out about different jobs and give the children opportunities to role play different jobs inside and outside the classroom.

Forest School

This week the Hedgehogs group will attend Forest on Thursday. Please ensure the children come into school wearing PE kit or long bottoms and a long sleeved top. Hedgehogs - Aoife, Archie, Elsie, Emily, Loudon, Louis-Maxime, and Rose.

Thank you for your continued support.
