Term 2 Optional Inspirational Tasks.

Task 1

Book Recommendation:

Can you create a poster to go in our book area? Please choose your favourite story. Write the title and author clearly on your poster and draw a picture from your story. You could do a picture like the one on the front cover or you could draw a picture from your favourite part of the story. You could also write some sentences about the story, to recommend it to your friends. Tell your friends what the book is about and why it is a great story. You could do it on A4 or A3 size paper. You can use felt pens or colouring pencils and we will laminate your work before we put it in our book corner.

Task 2

Firework Picture:

Can you create a fireworks picture? Think about all the shapes and patterns that you have seen in fireworks. You could look at photos of fireworks on the internet (with adult supervision) for inspiration. You can create your pictures using whatever media you prefer: pencils, felt pens, chalks, paint, crayons. You may wish to use collage materials and glitter. You may wish to include a bonfire in your picture. Please make your picture as colourful as possible.

If you would like paper for either of these tasks, please ask and we will give it to you.
