### HEADTEACHER'S MESSAGE

What a beautiful Christmas season it has been! I genuinely think there is nothing more magical in the world than the singing of children at Christmas. Seeing children smiling, laughing and enjoying the Christmas magic warms the soul and we have had so many opportunities to be filled with the joy of Christmas this last two weeks.

Part of our new Passport of Possibilities includes a community element and we have been proud of our children spreading Christmas spirit and showing our school value of kindness through their actions. Year 2 performed songs from their nativity for the residents of Hylliden Heights Care Home. It was beautiful to behold the joy on the residents faces as the Year 2s performed. The children also represented the school so well on the way to the care home and during their performance by upholding our value and rule of respect. Year 3 have also been spreading Christmas cheer by creating Christmas cards to share with a local care home. Again, this has been to meet the 'community' element of our new 'Passport of Possibilities'. All of these actions help us to meet our school vision of being 'a school that teaches everyone to make a positive impact on the world.'

Outside of these two acts of kindness, there have been performances galore from many year groups. The Year 1 Christmas sing song always warms my heart and I cannot wait to hear all the children perform their songs in the church later today. I wish you all a Merry Christmas and a happy New Year.

### POLITE REMINDERS

A gentle reminder that the school doors open at 8:40am and the register is taken at 8:45am. Please ensure that children are through the school gates before this time.

Please also remember to park considerately on the roads around the school site so as not to impact on the local community. Thank you.
