LearnChess

ACADEMY

Why Families Choose LearnChess Academy?

Because we are MORE than just a chess club

We help children grow in confidence, thinking and enjoyment through chess.

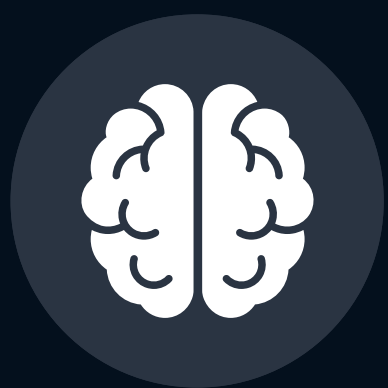

Fun, Engaging Coaching

Structured sessions with explanations, puzzles, games and plenty of interaction.

Live Games & Friendly Competition

Children play regularly, apply what they learn, and build confidence through practice.

Pattern Recognition & Problem Solving

Chess helps students think ahead, spot ideas and make better decisions.

Online Academy Access

Students can continue learning beyond the classroom with guided online tools and resources.

Confidence & Independent Thinking

We use chess as a tool to develop patience, focus, resilience and decision-making.

Respect, Fair Play & Sportsmanship

Children learn to win with humility, lose with grace and enjoy the game the right way.

The LearnChess Way

Fun First

**Thinking
Always**

**Life Skills
Through Chess**

Suitable for beginners, improvers and experienced young players.
All equipment is provided.

Trusted by over 50 schools across Kent and London
