

YEAR 1

## ROBOTICS

Blue-Bots - You will have the opportunity to code Blue-Bots to carry out specific algorithms.

## INSPIRATION

Wellness / Wellbeing Workshop - You will learn about how to look after your own mental well-being.

## HISTORICAL

Tonbridge Castle - You will have the opportunity to explore Tonbridge Castle and its impact on the local area.

## PERFORMANCE

Carol Singing - You will have the opportunity to perform a carol concert in front of a live audience, on stage, in the school.

## FARMING

Visit a local farm - You will have the opportunity to learn about growing food at a local farm.

## COMMUNITY

Charity fund-raising - You will get the opportunity to raise money for one of the school charities. As a class, you will vote for which of the three charities to support and choose a way to fund raise for them.
